

Plants are available on a first come /first serve basis. Plants that are available include, but are not limited to:

Sweet William (Dianthus)

Dusty Miller

Pansy

Violet

Vinca Vine

Ornamental Kale

Snapdragons

Swiss Chard

Mum

Dinosaur Kale

Spikes

Cool Wave Pansy

Recipe for a killer fall plant container :

- 1 spike or Dinosaur Kale in the center
- 1-2 Vinca Vine or Cool Wave Pansies on the sides
- 1 Ornamental Kale
- Violets popped in and some sweet William
- 1 Swiss Chard or Dusty Miller
- 1 Mum

This will last all season long and the chard, sweet William, and violets/pansies are edible! An edible and ornamental garden container is the ticket this season.
